5th July 2021

Dear parents & students,

We hope this finds you and your family well.

With the impending finish to the Summer Term, this is a good opportunity to communicate with you the process of GCSE results allocation. For Year 12 students on the Bridging and Resit courses, students will receive their GCSE results via their **school email** account **from 8.30am on Thursday 12th August**.

We will have staff on hand to support students with their post-16 options, should they require this, we would like to invite students to arrive at school from **9.00am**. Students are to arrive through the front reception and make their way to the Main Hall.

We appreciate that parents / guardians may wish to accompany their child into school. We request that if necessary, this is kept to one parent / guardian so we can maintain the requirements of the public health restrictions.

If students do not require support after receiving their results via email, please can we request that students do not attend school, but await the hard copy of their results that will be sent to them via post.

On results day, we will also be providing support for students who may be disappointed with their results. Mr Hyde will be writing to you shortly with further information about this year's TAGs, including the appeals process. Please read through this information carefully before contacting the school. We will endeavour to do our utmost to support students with this process.

If you have any questions, please do not hesitate to contact us at the school.

Best wishes,

Mrs Stephens

*Assistant Principal
Head of 6th Form*
