5th July 2021

Dear parents & students,

We hope this finds you and your family well.

With the impending finish to the Summer Term, this is a good opportunity to communicate with you the process of GCSE results allocation and 6th Form enrolment. Year 11 students will receive their GCSE results via their **school email** account **from 8.30am on Thursday 12th August.**

We would then like to invite students to arrive at school during the times below. We will have staff on hand to support students with their post-16 options.

We acknowledge these times are spread across the morning; however, I am sure you will appreciate this has been arranged to ensure we are meeting the restrictions around public health guidelines; therefore, it is vital students adhere to these times. Please be assured that this will not have any impact on students enrolling onto courses they have the entry requirements for. Students are to arrive through the front reception and make their way to the Main Hall at the allocated times below. This has been arranged by student's form group, so please ensure you refer to this before arriving.

Thursday 12th August		
Arriving 9.00am		Arriving 9.30am
B1 & B2		F1 & F2
Arriving 10.00am		Arriving 10.30am
G1 & G2		P1 & P2

We appreciate that parents / guardians may wish to accompany their child into school. We request that if necessary, this is kept to one parent / guardian so we can maintain the requirements of the public health restrictions.

On results day, we will also be providing support for students who may be disappointed with their results. Mr Hyde will be writing to you shortly with further information about this year's TAGs, including the appeals process. Please read through this information carefully before contacting the school. We will endeavour to do our utmost to support students with this process.

Can I take this opportunity to wish all students the best in their Post-16 pathways. If you have any questions, please do not hesitate to contact us at the school.

Best wishes,

Mrs Stephens
