## RESENT SUBJECTS STUDIED - Predicted grades are not needed for Highams Park pupils.

Write after the subject what qualification it is i.e. GCSE full course, GCSE short course, GCSE Double Award (usually science) BTEC, OCR National, or any others. Please enter English and Maths qualifications first followed by others alphabetically with your predicted grades. These predicted grades **must be confirmed by your school / teacher on page 3.**

Subject / Qualification	Predicted grades	Subject / Qualification	Predicted grades
English Language GCSE			
English Literature GCSE			
Math's GCSE			
Science GSCE			

## OPTION / SUBJECT COURSE CHOICES FOR 6<sup>TH</sup> FORM READ CAREFULLY AS MISTAKES WILL DELAY YOUR APPLICATION

On the next page you can see a table showing the option blocks we used for last year's timetable. This will be the starting point for the construction of this year's timetable. Students normally make four choices from the five option blocks shown. **You should only pick one subject in each block!** If you choose courses from within the blocks below we are very confident your personal combination of courses will be possible.

However, if you want a combination of courses that doesn't fit into this arrangement please contact the Head of 6<sup>th</sup> form to discuss it further. If sufficient numbers of students also want such a combination, then we will try our best to accommodate this, however we cannot guarantee to timetable combinations outside of the blocks below. These option blocks provide over 15,000 combinations of courses and experience has shown us that this arrangement is the best for the vast majority of students.

**Very occasionally a course doesn't attract sufficient numbers to make it viable; if this occurs you will need to choose an alternative. Students in this situation will be informed and helped to make an alternative choice.**

Further Maths (Grey background) lead to two A-level qualifications (Maths A-level and Further Maths A-level) and so require the time for two A-levels. Therefore, they occupy two subject option blocks and you must choose it in both blocks. If you wish to take Further Maths you will need to recognise you will only be able to choose other courses you wish to do from subjects in Blocks A, B and D. Students taking Further Maths will complete the full A-level in Maths in Year 12 and complete Further Maths A-level in year 13. This is a very demanding course. You can, of course take Maths A-level without Further Maths and then choose three other courses however you can't take Further Maths without taking Maths A-level.

BTEC National courses are taken at Diploma level (2 A-level equivalents) except for the ICT Technical Single Award that counts as 1 A-level. Students choosing Diploma level BTEC courses (2 A-level equivalents) must pick the courses in both Option Blocks where they appear. Please refer to the courses page on the website for detailed guidance on what choices you need to make from each block.

## WHAT COURSES THAT WE OFFER DO YOU WANT TO STUDY?

You must put them in order of preference. We cannot guarantee that every course we offer will run. Also, we cannot guarantee to provide every combination of all the courses we offer. All subjects are A-levels unless stated otherwise. \*Exception is Core Maths.  
 Core Maths is a Level 3 course that offers an equivalent number of UCAS points as an AS level qualification. Core Maths will be taught over the course of one year and must be taken as a fourth subject, alongside 3 other subjects, or the equivalent of 3 other subjects (for example a Double award BTEC and one A Level)  
 Please carefully look at the Option Blocks below before making your choices and filling in the course choices boxes below. You should only pick ONE subject from each block.

Option Block <b>A</b>	Option Block <b>B</b>	Option Block <b>C</b>	Option Block <b>D</b>	Option Block <b>E</b>
Art	Business Studies	Biology	Business Studies	Economics
Biology	Chemistry	English Literature	English Language	French
Computer Science	English Language	Drama & Theatre Studies	English Literature	Further Maths
3D Design	Maths	Further Maths	Film Studies	History
Dance	Music	History	Geography	Media Studies
Government & Politics	Philosophy	Maths	Physics	Psychology
Media Studies	Psychology	*Core Maths	ENG LANG GCSE Re-sit	Sociology
Sociology		MATHS GCSE Re-sit		
	Sport BTEC	IT Technical Single Award		Sport BTEC
Business Studies BTEC		IT Technical Double Award	Business Studies BTEC	IT Technical Double Award
	Health and Social Care BTEC		Health and Social Care BTEC	

**Subjects in each block are constantly under review. Please check the website for the most up to date information.**

## COURSE CHOICES – STUDENTS CAN CHOOSE TO STUDY **3 OR 4** SUBJECTS

Put your subjects/qualification choices below in order of preference. Include the qualification e.g. A-Level or BTEC.

Subject Write your subjects choices below in order of preference	Qualification A-level or BTEC	Option Block Write what Option block each subject appears in
1.		
2.		
3.		
4. (Optional)

## Ethnicity / Cultural questionnaire

Please complete the form below. We collect this information so that any analysis of examination performance carried out by ourselves, the Local Authority or indeed the government can examine if all ethnic groups are reaching similar levels of performance. This in the end will help us make the 6th form experience better for all students. Your co-operation is appreciated.

Your ethnic background describes how you think of yourself. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not necessarily the same as nationality or country of birth. An accurate assessment of pupil's different ethnic backgrounds also attracts additional funding for your school.

If you have not returned your completed questionnaire within four weeks, then the school may use its best judgement to assess your ethnic background. The school will let you know if it does this and you can ask to have the decision altered or removed, if you wish. Would you please tick ONE of the boxes below. If your ethnic background is not listed you may wish to write it beneath 'Any other ethnic group' at the bottom of the list

**Students Full Name**

### White

- Albanian (including Kosovo)
- Bosnian-Herzegovinian
- British
- Croatian
- Greek/Greek Cypriot
- Gypsy/Roma
